

2018 White Label Riesling

The Alkoomi vineyards and winery are located in the Frankland River district of Western Australia's Great Southern wine region. The name is taken from local aboriginal dialect and means 'a place we chose' and the logo represents the unique and distinctively Australian Grass tree, *Xanthorrhoea preissii*. The first plantings were in 1971 and the region's long, cool ripening conditions are perfect for growing fruit of intense varietal character.

Winemaking

The estate grown fruit was harvested in the early hours of the morning, preserving the delicate varietal flavours that define this cool climate, aromatic wine. All fermentation was carried out in stainless steel, at cool temperatures to preserve the freshness and vibrancy of the fruit.

Vintage

Excellent growing conditions during spring led to healthy canopies and set the vineyard up beautifully for the rest of the season. A mild, yet very dry ripening season resulted in pristine fruit quality with an abundance of flavour intensity.
