

2018 White Label Sauvignon Blanc

The Alkoomi vineyards and winery are located in the Frankland River district of Western Australia's Great Southern wine region. The name is taken from local aboriginal dialect and means 'a place we chose' and the logo represents the unique and distinctively Australian Grasstree, *Xanthorrhoea preissii*. The first plantings were in 1971 and the region's long, cool ripening conditions are perfect for growing fruit of intense varietal character.

Winemaking

The estate grown fruit was harvested at optimal ripeness in the early hours of the morning and pressed to tank. The juice from several blocks were fermented separately in tank and kept on lees post fermentation to improve mouthfeel, before careful blending to achieve balance and complexity in the final wine.

Vintage

Excellent growing conditions during spring led to healthy canopies and set the vineyard up beautifully for the rest of the season. A mild, yet very dry ripening season resulted in pristine fruit quality with an abundance of flavour intensity.
