

2019 White Label Chardonnay

The Alkoomi vineyards and winery are located in the Frankland River district of Western Australia's Great Southern wine region. The name is taken from local aboriginal dialect and means 'a place we chose' and the logo represents the unique and distinctively Australian Grasstree, *Xanthorrhoea preissii*. The first plantings were in 1971 and the region's long, cool ripening conditions are perfect for growing fruit of intense varietal character.

Winemaking

The fruit was harvested in the early hours of the morning and pressed to tank. The juice was settled overnight and racked with a high proportion of juice solids prior to fermentation in stainless steel. The wine was kept on fermentation lees and stirred regularly to build complexity and texture before bottling.

Vintage

Excellent growing conditions were cut short due to a late frost event which resulted in a considerable reduction in yield.

Colour

Brilliant pale gold with emerald flecks.

Nose

Lifted aromas of peaches and cream and hazelnuts.

Palate

The balanced palate is rich with a creamy length; flavours of rockmelon and peach are complemented by creamy textural mouthfeel and supported by nutty complexity.

Cellaring
