

2019 White Label Late Harvest

The Alkoomi vineyards and winery are located in the Frankland River district of Western Australia's Great Southern wine region. The name is taken from local aboriginal dialect and means 'a place we chose' and the logo represents the unique and distinctively Australian Grasstree, *Xanthorrhoea preissii*. The first plantings were in 1971 and the region's long, cool ripening conditions are perfect for growing fruit of intense varietal character.

Winemaking

The fruit was harvested in the early hours of the morning, preserving the delicate varietal flavours that define this cool climate, aromatic wine. All fermentation was carried out in stainless steel, at cool temperatures to preserve the freshness and vibrancy of the fruit. Upon reaching the ideal balance of sweetness and acidity, the ferment is arrested by chilling. The wine is composed using a careful blend of Semillon, Sauvignon Blanc, Riesling, Chardonnay, Verdelho and Viognier.

Vintage

Excellent growing conditions were cut short due to a late frost event which resulted in a considerable reduction in yield.
